John Vaseley represented VFW Post 7536 and Brush won a \$1000 scholarship at the district level and went on to win an additional \$1500 scholarship at the state level.

The high school district winner of the Third Annual High School and College Cavaliers' Press Conference was Ken Koppel. His article about a Cavaliers' game and an interview with Coach Bill Fitch earned him a pair of season tickets and a trophy.

Brush Scholars Earn Special Awards

1978 National Honor Society Award Winner-- Ellen Frauenthal

An enthusiastic leader in both academics and extra-curricular activities, Ellen Frauenthal has been named winner of the twentieth annual National Honor Society Award. A diligent student, she compiled an academic record which placed her in the top two percent of her class.

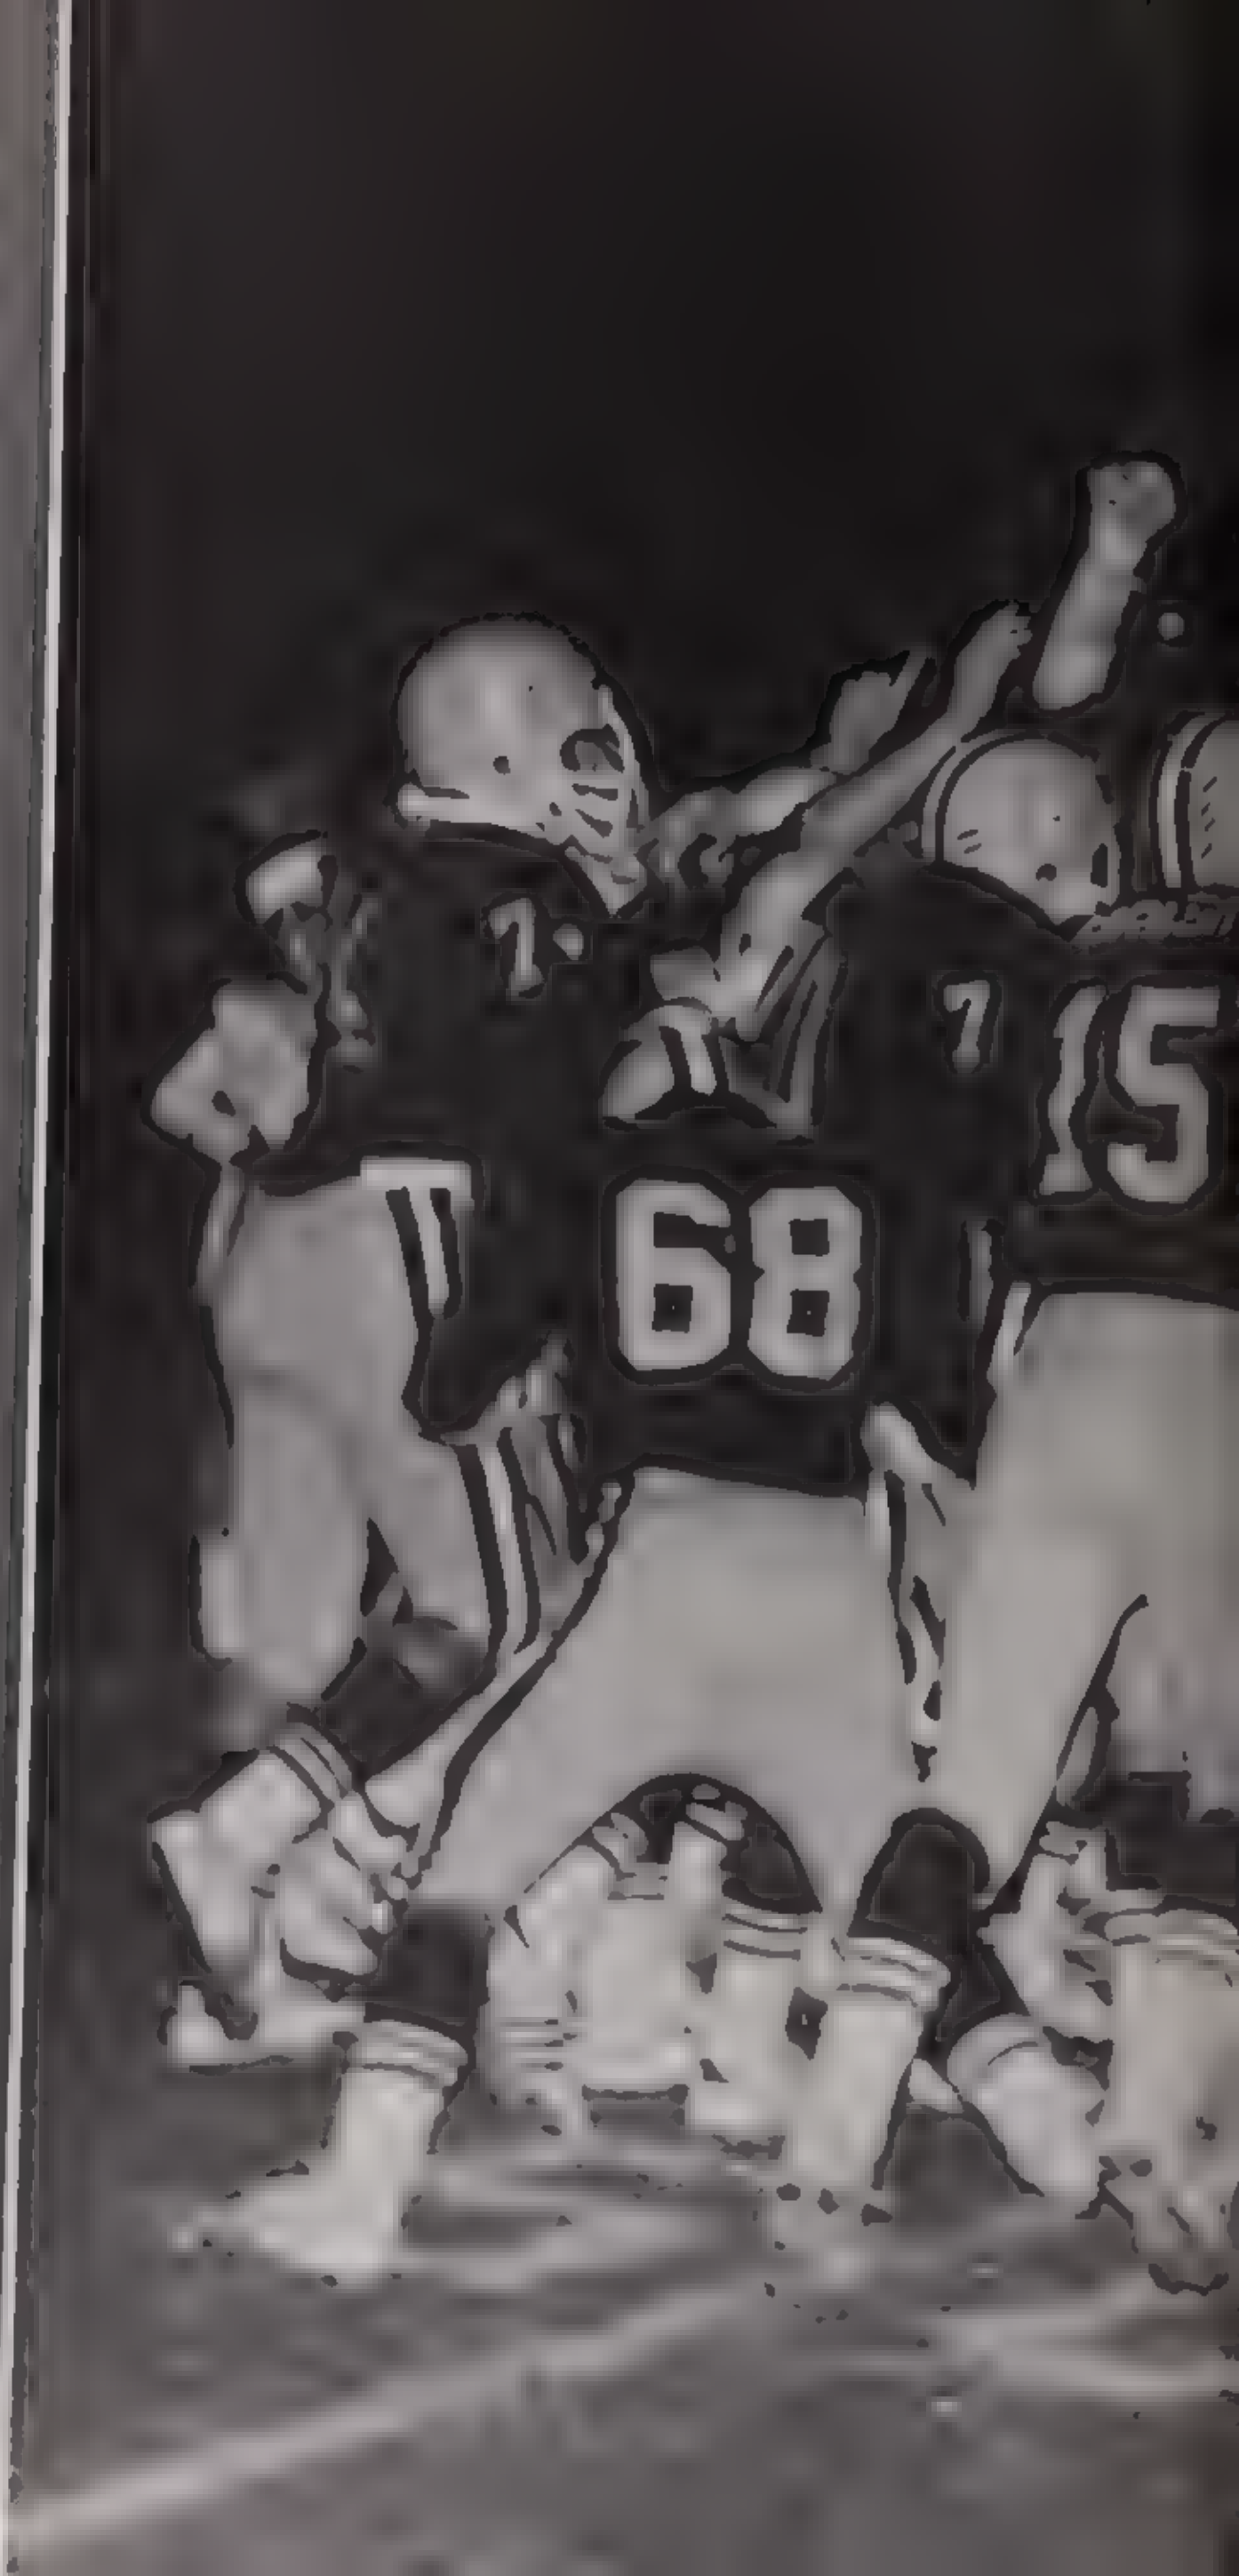

As Student Congress President, Ellen worked for the adoption of the organization's new constitution. Homeroom representatives were replaced with members-at-large from each class. Under her leadership, Student Congress was very active, sponsoring Homecoming, Spirit Week, the Heart Hop, the Powder Puff Football Game, and the Day Away Program.

Ellen was a member of the Marching Band and the Orchestra for three years and the Concert Choir and Symphonic Wind Ensemble for two years. She worked on the **Hi-Lite** Business Staff and was a member of the AFS. Last June, she served as a delegate to Buckeye Girls' State. Ellen was voted one of the Top 25 during Homecoming '77. Her participation in athletics included two seasons on the Girls' Basketball Team and one year as an Athletic Trainer.

The NHS Award was established by the **Hi-Lite**. Each member of the NHS is eligible for the award and a vote of the faculty determines the most outstanding senior. The SELTA Prize, a cash award, is presented as part of the honor by the South Euclid Lyndhurst Teacher's Association.

The 1977 Varsity Football Team compiled a 5-5 record under Head Coach Frank Gibson. The Arc's offense averaged 17 points per game. Outstanding performers included Senior Quarterback Dave Kennedy, Running Back Bruce Heinemann, Ken Kriskin and Rob Schmitt, and Wide Receiver Brett Maki. Schmitt kicked 10 field goals, the most field goals in a career while Maki caught a record fifty-seven passes in the two seasons. Kriskin was the recipient of the Jack D. Connor Award, symbolic of academic and athletic excellence.

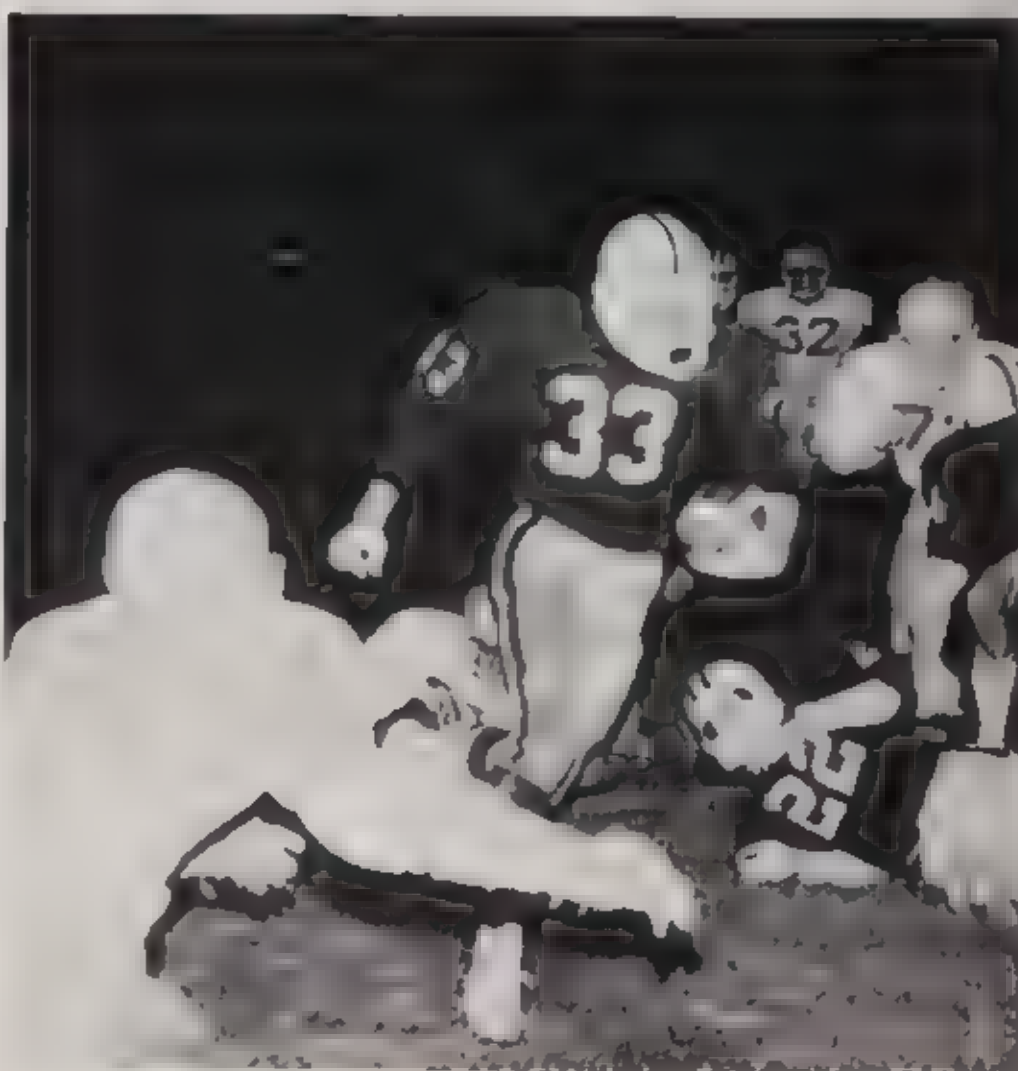

The most spectacular victory was the last-minute triumph over GYC champion Eastlake North. With no time left and a 20-0 lead, the Arc marched to the center of the field to secure a hard-earned win and was 15-0. According to Coach Gibson, "my years as a student and a great deal of pride always being my back" especially against Eastlake North and championship contender Mentor.

Co-Captains Patti Herder and Julie Schald along with the other members of the 1978 Girls Varsity Basketball Team combined to establish a 5-13 season with impressive victories against Maple Heights and Orange. Coach Joan Saunders described this year's team as well rounded with a number of people that were an important part of the game. Considering we play teams that are state rankers, we really did not have a bad season. I look forward to an improved team with the return of several promising Juniors and Sophomores.

The Girls Junior Varsity Team under the direction of Miss Kathy Baker compiled a 6-11 record with decisive victories late in the season. Among others Darlene DiSalvo and Kathy Lee proved to be two improving Sophomore starters.

"We couldn't have won this game without the fans." - Kevin Loughery

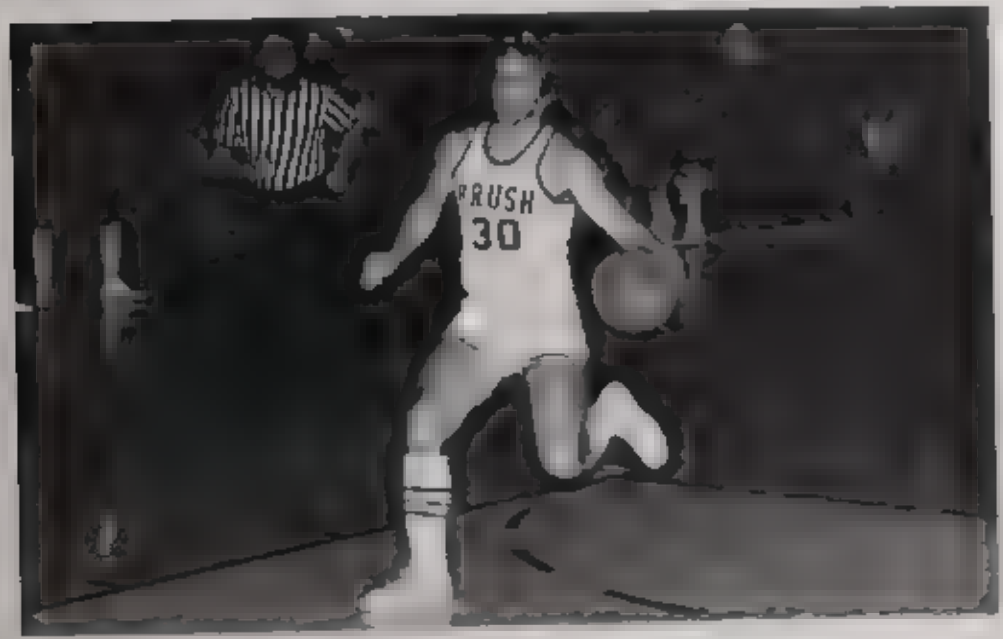

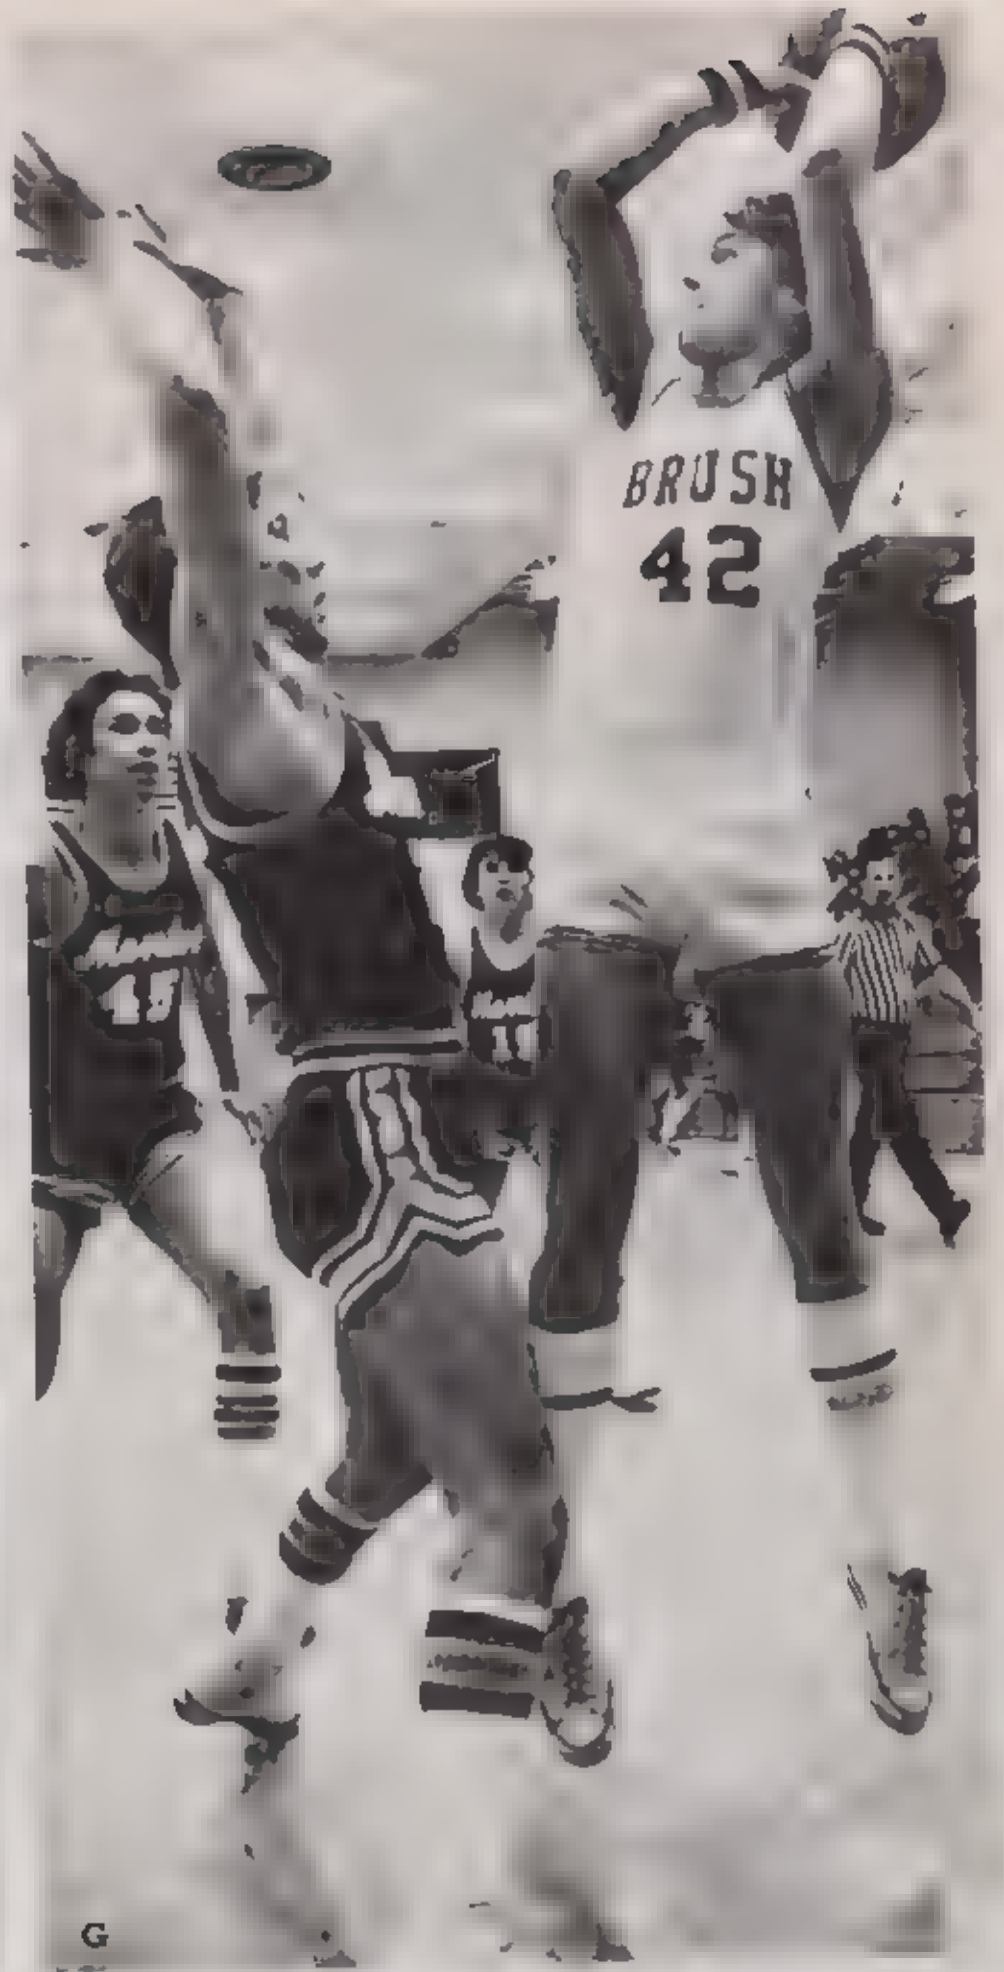

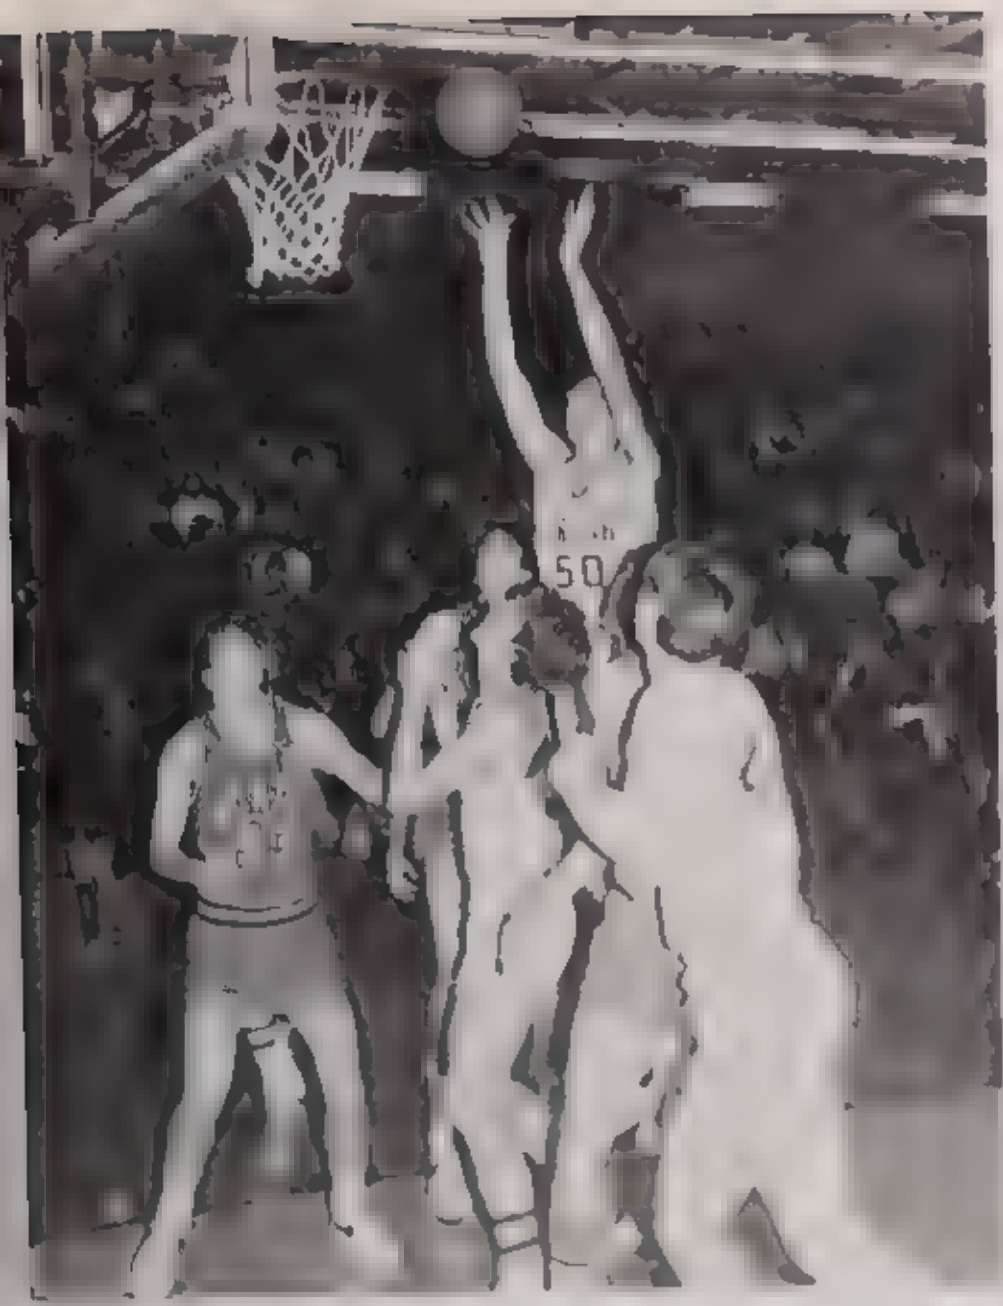

Coached by Mr. James Furger, the 1978 Varsity Basketball Team posted a disappointing record of three wins and fifteen losses. The inexperience of the team plagued them throughout the season, as they lost four starters from last year. Senior Center Jeff Robertson showed marked improvement over last year, leading the team in scoring and rebounding. Senior forward Russ Csaszar played consistent basketball, almost always scoring in double figures. Seniors Bruce Henneman and Ken Kristan played ball hawking defense and also performed admirably in offense. The highlight of the season came when the Arcs beat the Mayfield Widgets in the first round, 47 to 46.

Coached by Mr. Ralph Young, the 1977-78 Varsity Wrestling Team finished with two wins and eleven losses placing them seventh in the Greater Cleveland Conference. The disappointing season can be attributed to the inexperience of the team. During a month long to five Sopomores would wrestle hardly enough experience for the competitive GCC.

"We won! We won the GCC!" - Joy Witte

Coach Nancy Croft used the words Super Great to describe the exceptional dedication and perseverance of the 1977-78 Girls Gymnastics Team. It was this great willingness to excel that led the team to its first place finish in the Greater Cleveland Conference with a 20 record. The overall record of 12 illustrated the team's dominance of the winter sports.

Several individuals received recognition for their achievements in the GCC. Beth Christ placed first in the GCC all-around and the Laune Callow and Lynda Vannello placed first, second and third respectively in beam. Carol Foster, Kelly Kavanaugh and Karen Smith placed second, third and fourth in parallel bars competition. Carol Foster took first place in floor exercises with Lynda Vannello and Gina Minello tying for second place. Despite being injured for half the season, Laurie Callow returned to take first place in the individual meet. Ruth Gold was voted Most Improved and Beth Christ Most Valuable Player by their teammates.

With the help of Miss Lynn Groves, the 1977-78 team set new records in the optional and compulsory categories and then challenged themselves by improving these records with new optional and compulsory scores of 86.20 and 124.40 respectively.

The 1978 Boys Gymnastics Team led by Captain and Most Valuable Player Jim Sweeney ended their season with a 3-4 record. Coach Bob Verica described this year's team members as hard workers with the desire to excel. The gymnasts do not compete within the GCC but compete with tougher and more experienced teams. Senior Dave Miller was awarded Most Improved Player for his routine in the floor exercise and Jim Sweeney and Dave Miller qualified for the state meet. Coach Verica believes the outlook is good for next year with eleven boys returning.

ORGANIZATIONS

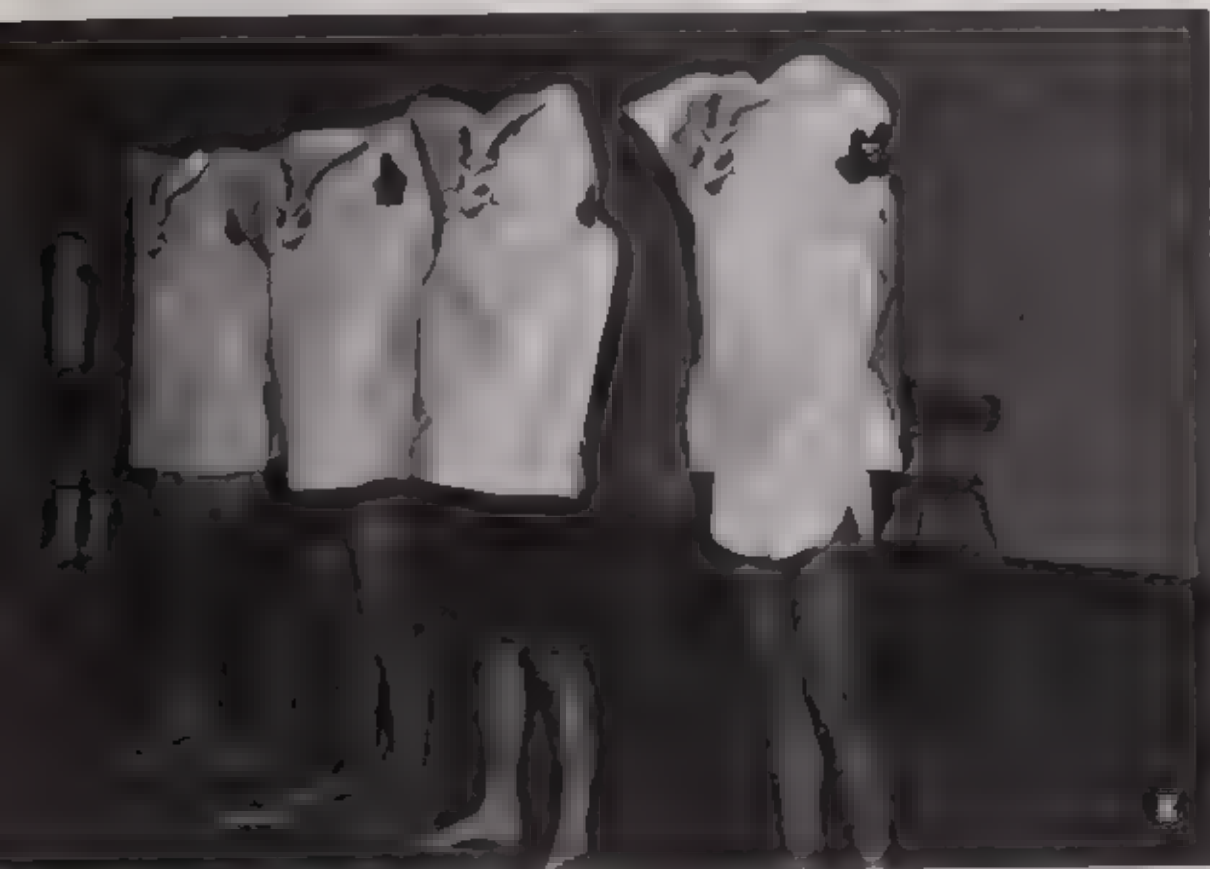

To begin the 1977-1978 school year the Brush Student Congress adopted a new constitution. This change ended homeroom representation and instituted the use of twenty representatives at large from each class. The active participation of the members strengthened the group and added enthusiasm to their work. Student Congress was headed by President Ellen Frauenthal, Vice-President Mike DeFiore, Treasurer Ted DiVincenzo, Corresponding Secretary Karen Smith and Recording Secretary Beth Rosen. They organized the school's social activities in cooperation with Faculty Advisor Mrs. Gloria Roma and Assistant Advisor Ms. Candy Clemson. Student Congress participated in community projects including the United Torch Drive and the Cancer Society's Bike-a-Thon. Last summer, their Homeday Booth won first place.

Student Congress conducted a busy program of student activities. The "Day Away" Program was the first of its kind in the country. This innovation provided a break from the daily school routine and gave students a chance to visit places that would provide an educational experience such as hospitals, colleges, and radio stations. Among the year's major projects was Spirit Week, five days of pep assemblies, stunts, and contests aimed at generating student enthusiasm. Other school activities sponsored by Student Congress were the Annual Heart Hop, Homecoming '77, and the Powder Puff Football game.

"A way to show your spirit." - Barb Post

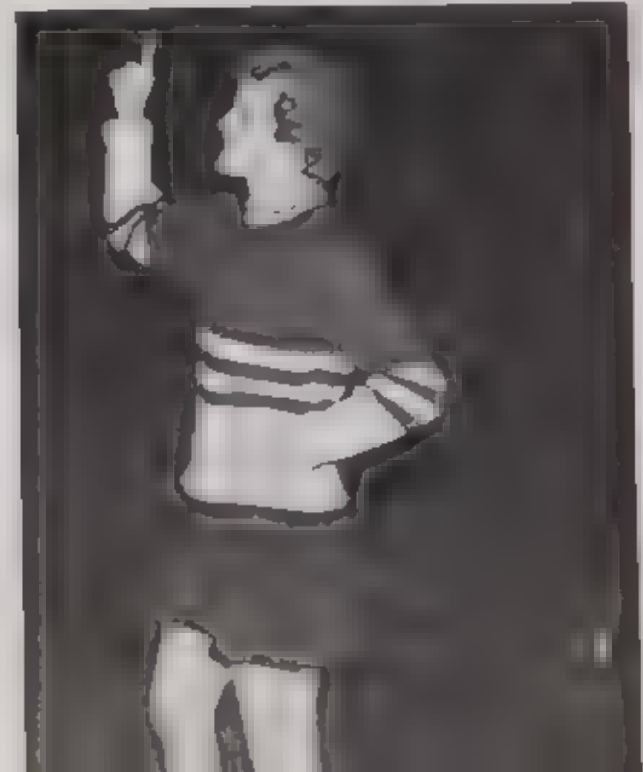

This year both Brush cheerleading squads won awards at the summer camps they attended. The Junior Varsity squad, coached by Ms. Maria D. Nardo, took first place at All-Star Cheerleading Camp at Barwon Wallace College. They were proclaimed the grand champions of all squads there. Freshman, Junior Varsity and Varsity squads were presented with a special spirit award. The Varsity squad, coached by Mr. Raymond Postek, qualified for the national championships held in Lansing, Michigan.

Both squads prepared for their fall and winter seasons by practicing every day during tenth period. During these seasons, Varsity roared spirit at all home and away football and basketball games and home soccer games. Junior Varsity cheered at all Junior Varsity football and basketball games. Both squads shared the cheering at wreath ceremonies. As a fund-raiser, the cheerleaders sold Homecoming mums.

"Dear Lord, help me get my act together" said a poster in Miss Barbara Artino's office. This described the hectic and exciting schedules of this year's choirs. Miss Artino during her second year as Vocal Music Director, was assisted by Mr. James Royiz in producing many high quality performances for both the school and the community. Vocal music combined with the orchestra in the musical **Li'l Abner**. Two choirs sang at special assemblies. Concert Choir performed at the NHS Induction Ceremony and Chamber Choir performed at the Homecoming Assembly. In addition to the Fall Pops, Winter, and Spring Concerts, Brush hosted the GCC Choral Festival, involving Euclid, Maple, and Willoughby South. The choirs sold fruitcakes and cheddar cheese as a winter fund raiser. A holiday Chamber Choir Concert held at Randall Park Mall added to the spirit of the fund drive.

The Drama Club, under the guidance of Mrs. Estelle Keene, has urged students to further their interest in the theater arts. This year they presented three plays: Ayn Rand's **The Night of January 16th**, a murder mystery which takes place entirely in the courtroom; **A Charlie Brown Christmas**, a light-hearted story of the true meaning of Christmas; and Neil Simon's **Barefoot in the Park**, a humorous comedy set in a New York City apartment. They also attended professional productions in the area.

Talented and dedicated members of the Drama Club have been inducted into the International Theater Society, required participation in a minimum of two productions and ten Theater points achieved through acting, and working with lighting, makeup, costumes, props, publicity and stage crews.

The Silent Sports Club, under the direction of Advisors Mr. Ronald Yarnan and Ms. Barbara Kresge, and assisted by President Rod Stone, ventured into wilderness as far away as Pennsylvania and as close as the Metroparks North Chagrin Reservation. Their expeditions in Pennsylvania included backpacking on the Minister River, canoeing on the Clarion River, and an all-inclusive camping backpacking, cross-country skiing, and snowshoe trip. Other activities were horseback riding, orienteering, and cross-country skiing in the Metropark system.

The Horticulture Club attracted people who were interested in learning more about plants and their care. The students, directed by Miss Arlene Hamrich and Mr. Kenneth Ferock, planted tulip bulbs in the Memorial Garden and provided poinsettias for the Christmas holidays. The club also planned field trips to the Greater Cleveland Garden Center and the Holden Arboretum. Members utilized the Brush greenhouse as their headquarters.

Dear Ellen,

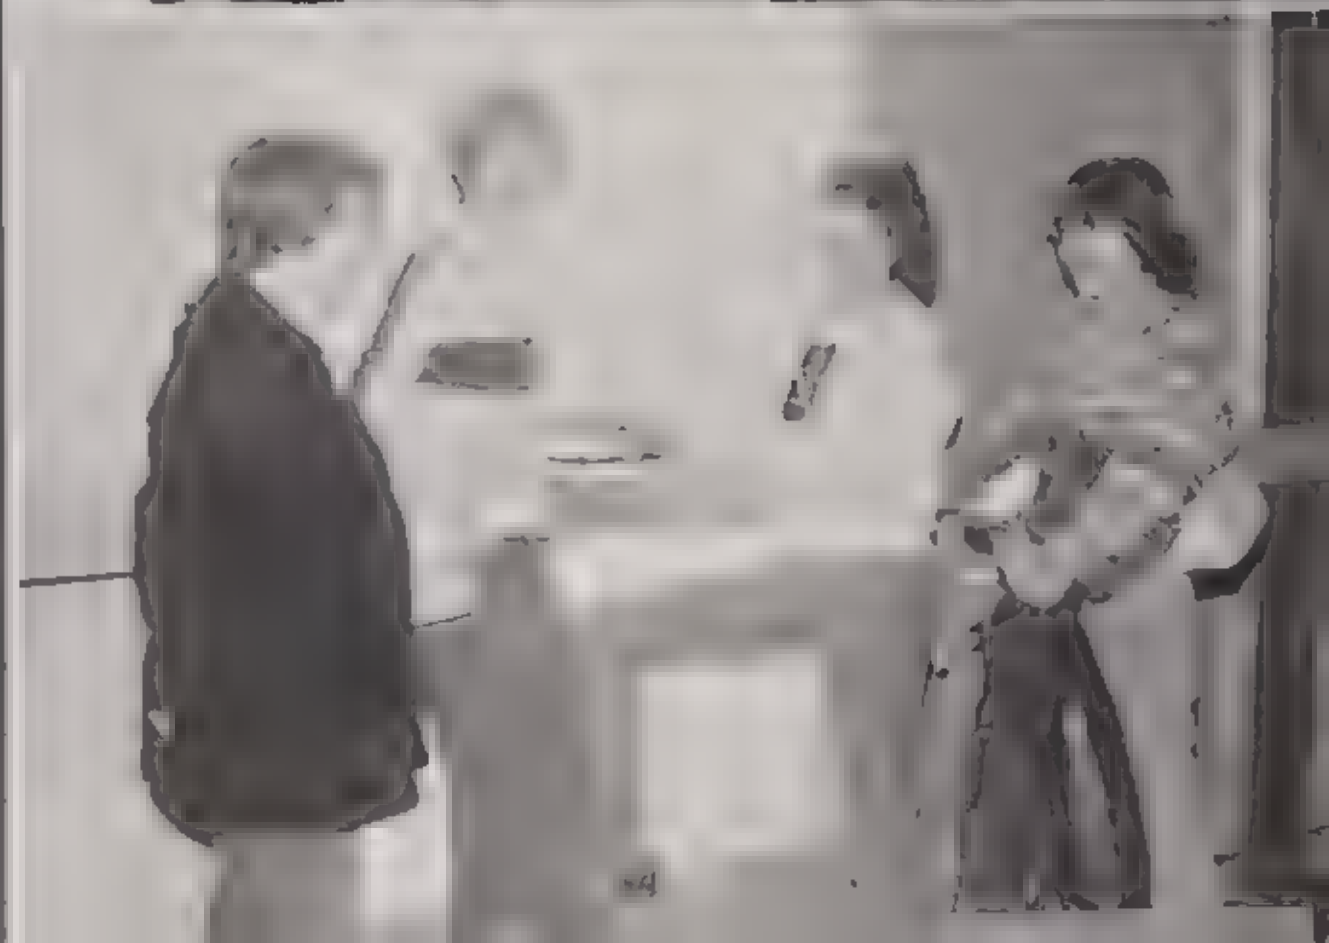

Hi! How are you? I finished my biology lab early, so I thought I'd write you a note. Thank goodness it's Friday!! I hear we have an assembly today -- I wonder where Super Arc will appear from? Wanna go to the game tonight? We can get a pizza afterwards. You wouldn't believe some of the sights I've seen in the halls lately -- everything from people in wastebaskets to Santa suits! Have you figured out why there aren't doors on the lavatories? I'm telling you... My health class is in Room 406, but I couldn't find the classroom. Some senior told me it was on the fourth floor -- some help!! I wound up in the Tower all period. There were some cute kids with Child Care students in my English class today. Did you get a look at that guy in my co-ed gym class! I'm practicing my volleyball serve so he'll pick me for his team. Do you need a ride after the meeting today? I'll call my mother on the telephone in the main hall. But I'll have to be careful I don't get trampled by the track team -- you're never safe when they use their "indoor track." If our ride is late, I'll catch up on the English assignment before I get home.

Talk to you later,

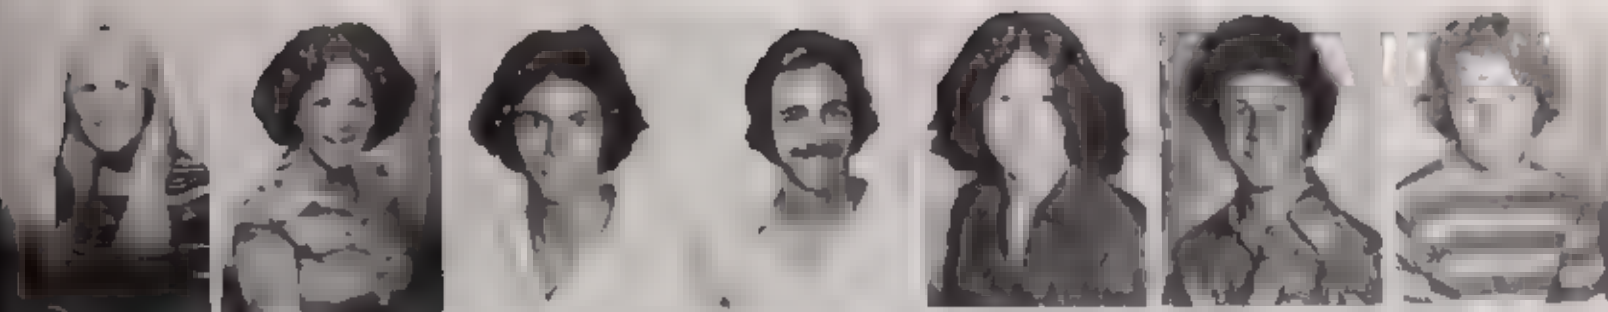

Sue

P.S. Wanna go to McDonald's for lunch?

The Marshall Majority

In Cleveland, there is a group of die-hard, never-settle-for-second-best car buyers known as the Marshall Majority. They are a demanding bunch, requiring exceptional service, large selection, untouchable reputation and great low prices. Is it any wonder that the Marshall Majority is happiest with Cleveland's largest and oldest* Ford dealership?

If you are looking for any or all of the above, you too belong in the Marshall Majority. Thanks to people as discerning as yourself, Marshall Ford sells more new Fords each year than any other Ford dealership in greater Cleveland.

"I believe that man will not merely endure; he will prevail. He is immortal, not because he alone among creatures has an inexhaustible voice, but because he has a soul, a spirit capable of compassion and sacrifice and endurance."

— William Faulkner
